

Fermacell-plaat

## FPD 185

### FPD 185

#### Fermacell-plaat

Artikelnummer: 97980201

Afmetingen: 185 x 12,5 x 185 mm

Fermacell®-plaat om achteraf te monteren

in IBTronic XL H185

---

## Technische gegevens

### Elektrische eigenschappen

---

|                |           |
|----------------|-----------|
| Geschikt voor: | Betonbouw |
|----------------|-----------|

---

### Afmetingen

---

|          |        |
|----------|--------|
| Breedte: | 185 mm |
|----------|--------|

---

|         |         |
|---------|---------|
| Lengte: | 12.5 mm |
|---------|---------|

---

|         |        |
|---------|--------|
| Hoogte: | 185 mm |
|---------|--------|

---

### Materiaal eigenschappen

---

|                                      |    |
|--------------------------------------|----|
| Ontvlambaarheidsklasse volgens UL94: | HB |
|--------------------------------------|----|

---

|  |        |
|--|--------|
| Gloeidraadbestendigheid volgens EN 60695-2-11: | 650 °C |
|--|--------|

---

|                      |     |
|----------------------|-----|
| Industrie kwaliteit: | nee |
|----------------------|-----|

---

### Mechanische eigenschappen

---

|                  |        |
|------------------|--------|
| Type toebehoren: | andere |
|------------------|--------|
